PETITION TO REVIVE ABANDONED APPLICATION
UNDER 37 C.F.R. 1.137(b)

Sir:

Applicant believes that the Notice of Abandonment dated April 18, 2008 was mailed in error, and respectfully request that the present Application be revived under 37 C.F.R. 1.137(b).

On March 13, 2008, Applicant submitted payment of the issue and publication fees via Deposit Account No. 16-1340. A copy of the Part B – Issue Fee Transmittal, showing permission to charge the deposit account, as well as a copy of the date-stamped return postcard is attached as Exhibit A.

On March 18, 2008, the publication fee of \$300.00 and advance order for 10 additional copies fee of \$30.00 were charged under sequence number 7 and 8, respectively, leaving a balance of \$729.50 in the Deposit Account No. 16-1340, a sufficient amount to cover the issue fee of \$720.00 for a small entity. A copy of the Deposit Account Statement for March 2008 is attached hereto as Exhibit B.

The Notice of Abandonment mailed April 18, 2008, acknowledges receive of the publication fee of \$300.00, but states that the issue fee of \$720.00 was never submitted. *However, permission to charge the deposit account for the \$720.00 was given on the Part B – Issue Fee Transmittal.*

Therefore, Applicant believes the error to charge the deposit account for payment of the issue fee was on the part of the USPTO, and respectfully requests that the present Application be revived at no charge to the Applicant.

The undersigned declares further that all statements made herein are his own knowledge, are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

In view of the above-listed submissions, Applicants respectfully request revival of the above-referenced Application and continued prosecution thereof.

Applicant believes that no fees are due at this time; however, if deemed necessary, the Commissioner is authorized to charge any fee deficiencies or overpayments to Deposit Account No. 16-1340. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

Dated: April 25, 2008
